VALLEY HEALTHCARE SYSTEM

Our lives have all been touched by a nonprofit, whether it's the hospital we were born in, the schools that educate us, the parks and arts we enjoy, or the animal shelter where we found our best friend.

You can make your community a safer, happier and better place to live by visiting www.GAgivesday.org and donating to the nonprofit that means the most to you.

Let's all give back on November 13, 2013 — Georgia Gives Day!

What is GA Gives Day?
On November 13th, thousands of people across Georgia will raise as much money as possible in a 24-hour period for nonprofits through the website www.GAgivesday.org.

How does it work?
GAgivesday.org makes donating easy by organizing hundreds of nonprofits across the state onto one website, providing the information people need to select a cause, and enabling online donations by credit card or e-check.

How do I donate?
It's easy! Simply visit www.GAgivesday.org, search and select "**Valley Healthcare System**" and make a donation via credit card or e-check. Every penny counts when giving back to the nonprofits that make our state a beautiful and wonderful place to live.
